*As we travel on our journey
through life
we will always remember
the special companions
we encountered at C.C.H.S.
The innocence and mischief of
each individual
will never be forgotten.*

*Long lasting friends,
events
of our busy schedules,
and times of silence
and dedication
are those we
will remember most.*

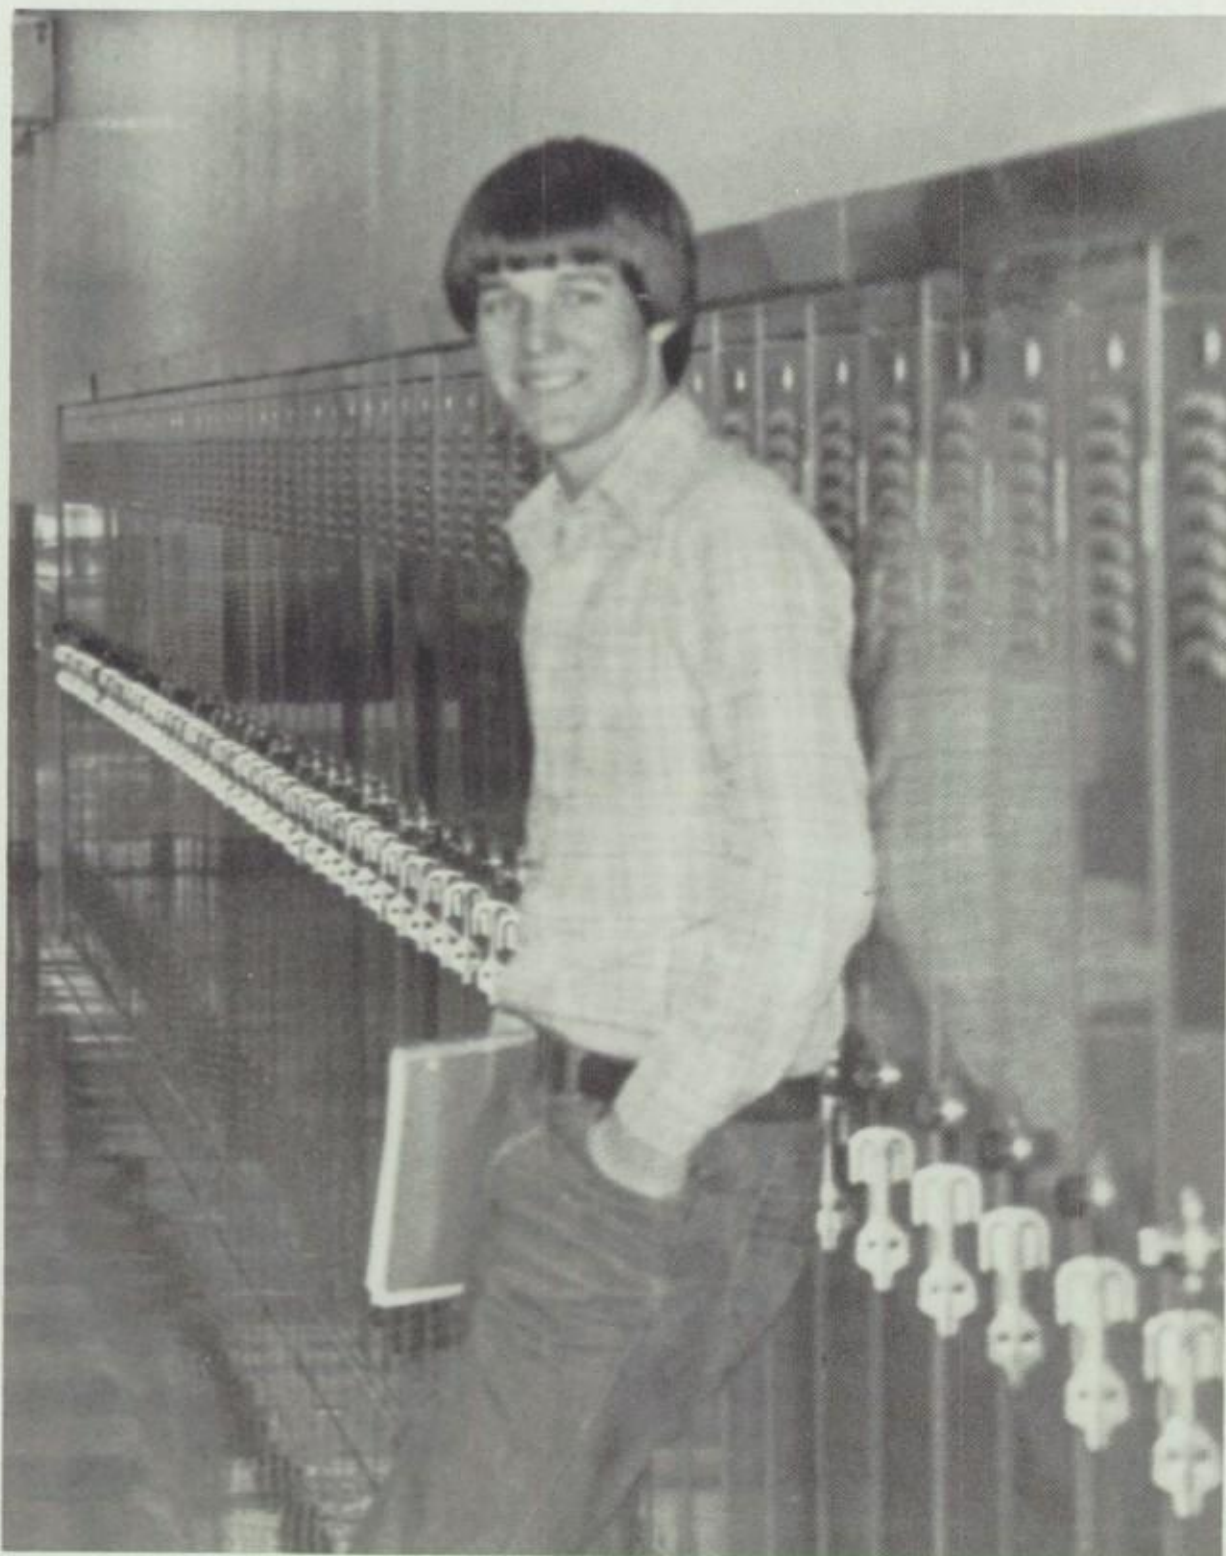

*Faint memories of our superiors
and the fun times we shared as
a special individual at C.C.H.S.
will linger with us throughout
our lifetime.*

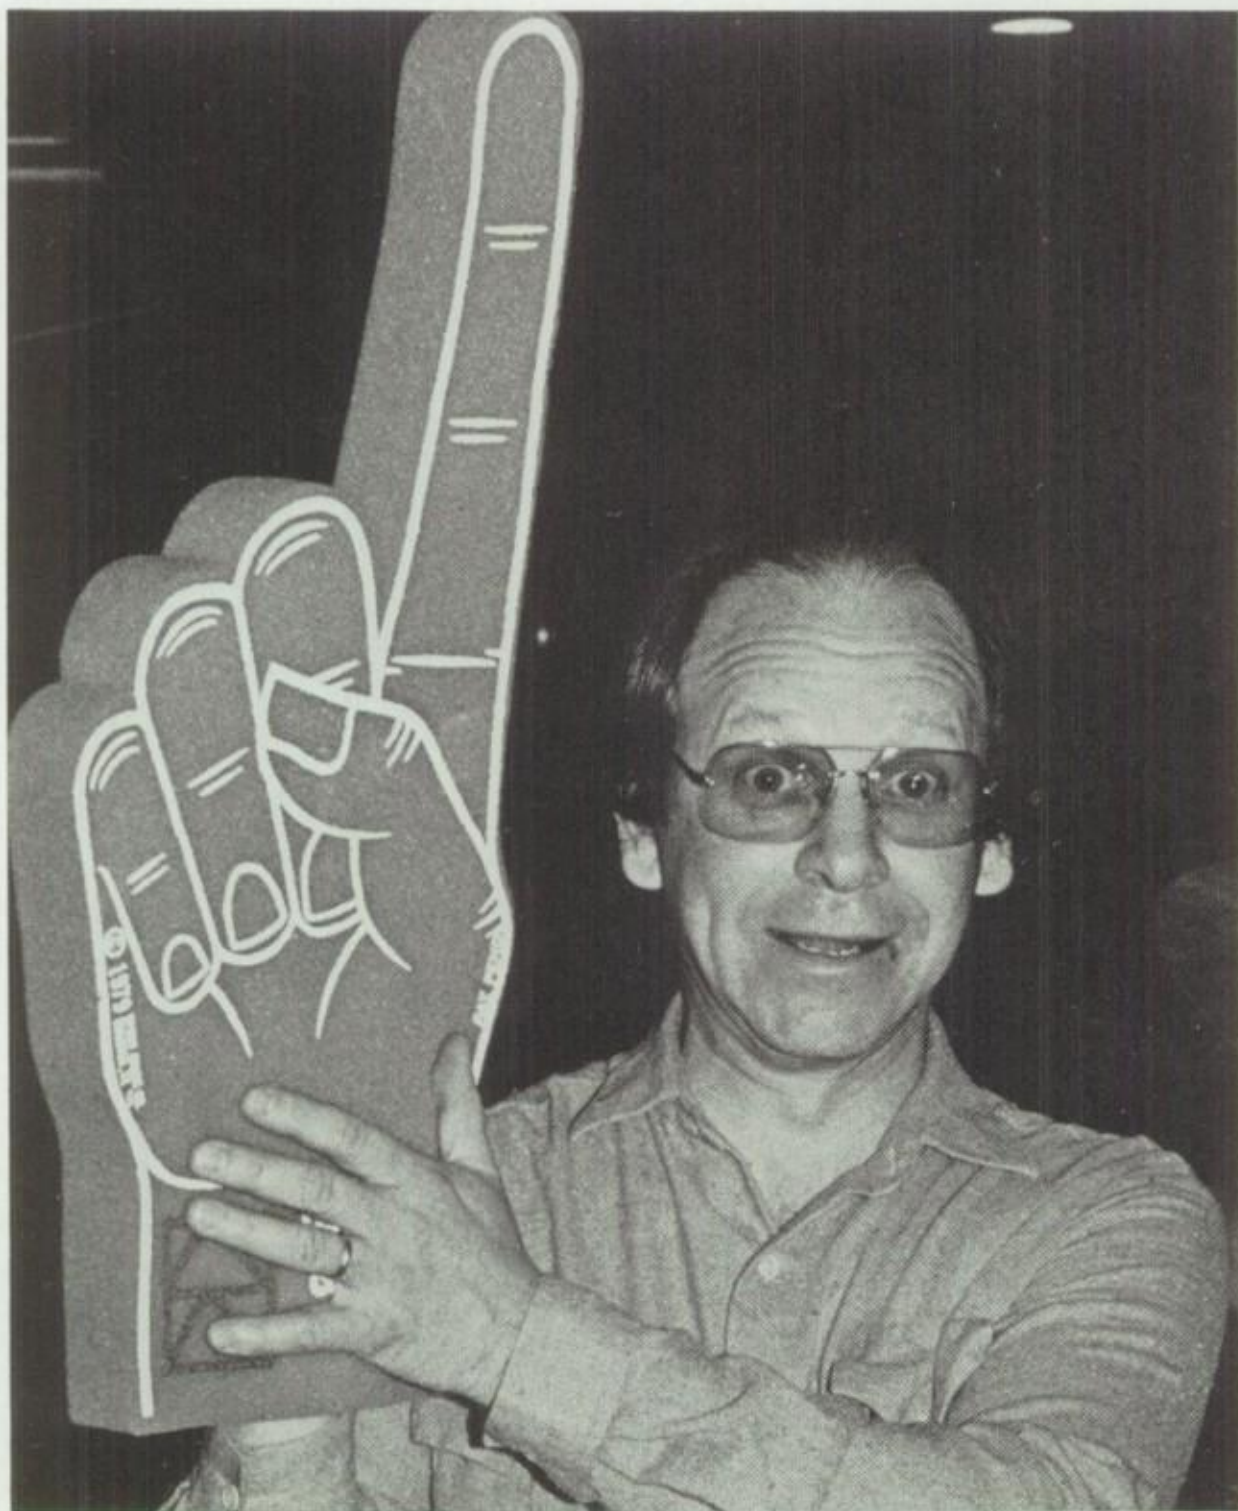

*The smiling faces of
close friends,
the struggles of our
accomplishments, and the many
hours spent deep in the world
of education are more than
passing events.*

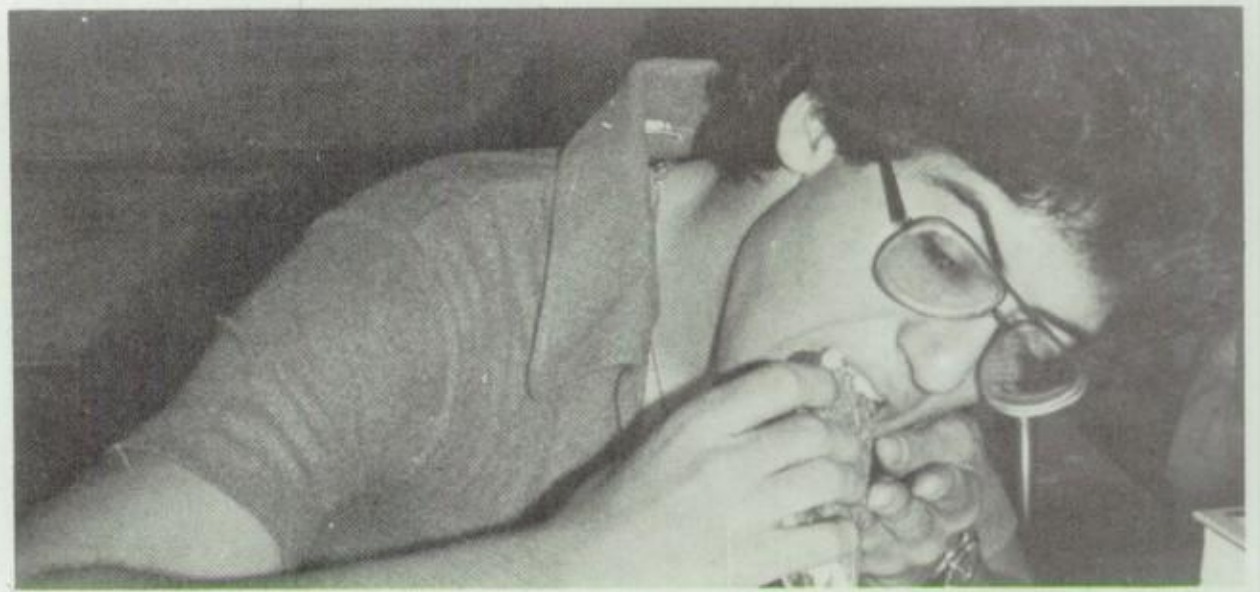

The years of our high school career have been very important to each individual's development. As we enter an entirely different world we will begin to appreciate each moment spent at C.C.H.S.

*Now, as we face the future,
Best Wishes and Good
Luck
to every individual.*

Deitz Earns 1,147 Yards

All-conference running back Troy Deitz rushed for 1,147 yards as he led the Carmi Bulldogs to their first winning conference season since 1976. The Carmians compiled a 4-3 league record while finishing with an overall mark of 4-5 for the third consecutive campaign.

Deitz, a 5-9 senior tailback, averaged 143.4 yards rushing each game while toting the pigskin 6.1 yards per carry. In addition, Deitz scored 16 touchdowns and 3 PAT conversions as he totaled 102 points in only eight games. He missed the Mt. Carmel contest due to a shoulder injury.

Defensive standouts for coach Randy Goin included Jim Minor, Robin Harris, Lee Morrill, Richie Minor and Jack Leithliter. The Minor brothers combined for 124 tackles and intercepted two passes while the trio of Harris, Morrill and Leithliter recovered 6 fumbles and were involved in 144 tackles.

Sophomore Football The Sophomore Football Team

was victorious in their first contest against Olney, 8-6. Fumble recoveries aided in this close victory. Layne Smock scored the one touchdown in the sophomore's next contest at Fairfield when the Dogs fell 32-6.

In the final bouts of the 79-80 season the boys scored 28 points, but this was not enough to outdo Flora's 34. Flora rallied and moved out to a 16-6 advantage at half. Two games on the season were not played; those against Benton and Red Hill.

Freshman Football

For the Freshman Football team perhaps the most memorable contest was that against Mt. Carmel which the Dogs lost in 2 overtimes. The Dogs were ahead 2 touchdowns at halftime. The toughest team they were victorious against was Olney. After a loss in the first game against the Fairfield Mules (36-12) the team went out to triumph over Eldorado and Olney before the Mt. Carmel contest.

Harriers Compete In First State Meet

This year's Carmi Cross Country team was the most successful in the school's history. The Bulldog Harriers ran to an undefeated (11-0) regular season, won the Flora and Harrisburg in Invitationals, claimed a first ever N.E.C. Conference crown, as well as capturing the Anna-Jonesboro District Championship.

The month of September began slowly for the Carmi Harriers as newcomers Robert Sundeen, Jack Sailer, Alan Stocke, Doug Sexton, Jeff Bova, and Robert Bova began to adjust to running with the veterans; Junior Jim Brehm and Senior Co-Captains Jim Schreifels and Mike Westfall. By the end of the month, however, the team had made their presence known on the Class A level in Southern Illinois by capturing the Flora Invitational with all 5 runners bunching 4 through 16.

Winning the Flora Invitational gave the team the confidence and momentum needed running into

the busy month of October. Early in October the Bulldogs bunched their way to a very impressive (26 total pts.) win at the Harrisburg Invitational, taking 1st (Jim Brehm), 2nd (Robert Sundeen), 4th (Jack Sailer), 5th (Jim Schreifels), and 14th (Mike Westfall). Two days later, the team defeated a very tough Fairfield squad on their own course to assure themselves of an undefeated regular season. On October 18th the Bulldogs traveled to Olney for the N.E.C. conference meet, it was on this day that the squad showed its depth and character. Because of injuries the team was forced to run without two of its top runners, but Brehm, Schreifels, Sundeen, and Westfall rose to the occasion by finishing 2nd, 3rd, 4th, and 10th respectively. Sophomore Doug Sexton running in his first major meet in a month finished 30th. This enabled the Bulldogs to capture their first N.E.C. crown ever.

In November, all five Carmi

runners finished in the top 20 enabling the Bulldogs to defeat the 17 team field on the hilly Anna-Jonesboro course to win the Southern Illinois District Championship, and move on to the Effingham-St. Anthony Sectional. The following week in Effingham the Carmi Cross Country team earned the right to compete in the school's first state meet with a 3rd place finish. The Bulldogs became the first team in Southern Illinois to make the state trip to Peoria in the last two years. On a very cold Saturday morning in November the Carmi team finished 17th at Dewitler Park to end a very fine season.

Carmi set all 10 records on January 22nd against Enfield when the 'Dogs routed the visiting Trojans, 121-82, in the opening round of the First Annual Carmi Invitational Tournament.

In addition to breaking the old school mark of 106 points in a single game, the Bulldogs set records for most points combined by both teams (203); most field goals scored (51); most points in 1st half (50); most points in 2nd half (63); most points scored in 2nd quarter (35); and most points scored in 4th quarter (37).

bounds.

Ackerman set an individual single-game school scoring record in the final home game when he gunned in 43 points against Salem which broke the previous mark of 41 set by Mark Winter in 1975.

A unanimous selection to the All-NEC first team, Ackerman also tied the single-game record for most field goals scored when he pumped in 17 against Salem and in the same contest became the all-time Bulldog rebounding champion when he snagged a career-high 22 boards.

Ack finished his prep career with 1,193 points to rank fifth on the all-time Bulldog scoring list.

All-Conference second team Darrell Wilson was the only other Bulldog in double figures as he averaged 13.7 ppg with a single-game high of 30 against Enfield.

Wilson also received the free throw award with his 76.8 per cent average.

Senior guard David Given was chosen all-conference honorable mention after he passed out a school-record 163 assists. He also

came away with a team-leading 44 steals while averaging 8.4 points each game.

Six-foot-one Keith Bratton was the only other senior on the squad and he averaged 9.9 ppg while also being selected all-conference honorable mention.

Lady Dogs Complete Season With 12-6 Record

The 1979-80 Lady Bulldogs compiled the most successful win-loss record (12-6) in the six year history of the girls basketball program at CCHS. The girls began the season by winning their first six games, highlighted by an impressive 47-23 win over a visiting Chicago Calumet team. The girls finished the season in a flurry winning 3 of 4 games to give them the momentum needed going into regional play.

In the first round of the Edwards County Regional the Lady Bulldogs defeated Albion 73-35, establishing a new team scoring record and placing them into the finals against the Fairfield Mules, a ball club they had defeated in overtime by one point (46-45) just two weeks earlier. Down 16 points at half time the Lady Bulldogs

never lost their composure as they out scored Fairfield 20-5 in the fourth quarter, scoring the last 14 points of the game to capture the Edwards County Regional. Four days later Carmi was defeated 49-43 by the Casey Warrioriettes in Sectional play to end a very fine season.

The Lady Bulldogs displayed a very balanced attack throughout the season, defensively only allowing 36 points a game and scoring at a 48 point per game margin. Vicki Browning, Beth Myers, Karen Seal, Anita Blazier and Sara Norris are five seniors who have played together since their sophomore year and will be greatly missed next year.

This years Carmi Junior Varsity team finished the season with an impressive 9-3 overall record. The girls were led in scoring by sophomore Debbie Nelson (7.4) pts. and Freshman Mary Fechtig (7) pts. and Tracy Floyd (6) pts. Cindy Grisham and Linda Mecum made contributions with their passing and aggressive defense along with the strong rebounding of sophomore Shellie McNew. By winning their last 5 games of the season, the girls ended the season on a strong note to make the basketball picture next year look bright.

Dogs Compile Impressive Regional Wins

At the beginning of the Bulldog Baseball season it seemed as if Carmi's toughest competitor was the weather. Rain delayed their season opener until April 16. In a battle against the surprisingly strong Grayville Bison squad, the Dogs lost 4-16. The young and as yet somewhat inexperienced Bulldog battlers proved their prowess however, when Brian Catlin pitched a 5-0 shutout against

Lawrenceville. The diamondmen then posted a win against Fairfield and were beaten by conference winner Mt. Carmel. They then came back to win against McLeansboro. They also suffered a defeat at the hands of the Crossville Tigers even though Pfister and Catlin hit homeruns, Pfister's a grand slam.

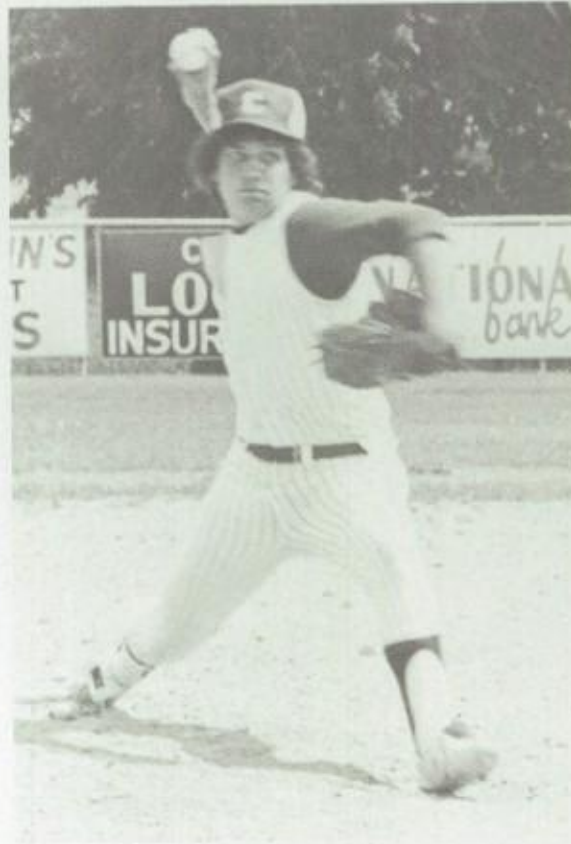

In the first game of the regional the Dogs defeated Galatia 7-5.

Carmi scored 4 runs in the first inning. Doug Ackerman hit a homerun in the sixth inning when 3 runs were tallied.

Surging forward, the Dogs knocked off Eldorado in another Regional match. Troy Deitz hits a homerun and other point makers were Aubrey Wheeler, Mike Small and Doug Ackerman. They then went on to beat McLeansboro in regional championship play.

Lady Bulldogs Finish Second In NEC

Achieving a terrific won loss record of 7-4, the girls softball team had a season which can easily be classified as a great one. In her last year as softball coach, Jana Land led her crew to a second place win in the conference, where they were beaten in the championship game by Salem.

During regular season play they lost to McLeansboro twice, Salem once and Wayne City once.

Those who played key positions were Dee Dee Hoffman, pitcher; Debbie Nelson, catcher; Jan Kingery, 1st base; Michelle Land, 2nd base; Sara Norris shortstop; Anita Blazier, 3rd base; Mary Fechtig, 1st and 3rd bases, pitcher; Annie Hart, center field; Cindy Adams, Connie Gwaltney, right and left fields. Other members of the team were Cindy Grisham, Nancy Ains-

cough, Debbie Hillyard, Joan Chapman.

In Mrs. Land's words the choice of the most valuable player was a most difficult one. The girl which she finally selected narrowly won the team batting title with a .515 average. This included 17 hits in 33 at bats, 10 singles, 3 doubles, 3 triples and one homerun. Debbie Nelson received this honor.

Browning Places First In Discus At NEC

Hampered by conflicting spring sports schedules, the individual members of the CCHS ladies track team did a commendable job in what Coach Barb Jestic classified as an "individual" sport. Although the girls were not able to win any meets, they won medals in eleven events at the conference meet and tied for third with Fairfield in the N.E.C. Salem took first place and Olney second in the conference.

Debbie Turner was elected most valuable team member by her comrades. She performed in the 100 yard dash and placed fourth in this event at the conference meet. She also ran in the 220 yard dash and the 440 yard relay. Other members of the relay team included Linda Mecum, Dee Dee Hoffman and Theresa Scott.

Another valuable senior team member was Vicky Browning. Vicky placed first in the discus throw at conference. She was good in field events and she al-

ways came through when an extra runner was needed. Cindy Adams, another senior contributed significantly to team spirit.

The 12 member team found it hard to be a full force group at some meets. For example, at one meet in McLeansboro the team only numbered six as there was a conflict with softball. Coach Jestic commented that a good size team would be 20. However, she feels the girls were outstanding in their ability to perform when called upon. At the conference meet she decided, on the spur of the moment, to enter a mile relay team. Up until that time there had been no such team. However, since they awarded five medals Jestic felt the girls could at least do that well. The girls made her proud as they came through and placed fourth. At the same time they broke a school record which had held since 1977.

Wilson & Gwaltney Break School Records

Due to the outstanding performances turned in by individual members of the boys track team, the season was one to make any boys' coach feel proud. The highlights of the season came when five boys qualified for state. The state meet was held at Charleston. The five who qualified and their events are: Robert Sundeen, mile meter; Darrell Wilson, high jump; Jim Brehm, two mile run; Mike Gwaltney, high hurdles; Richie Minor 100 meter dash.

There were also two school records which were broken at the N.E.C. meet at Olney. Jim Minor broke the record for long jump distance with a jump of 21' 2½", and Darrell Wilson knocked off the high jump record with a height of 6' ¾".

LITTLE NELL THE ORPHAN GIRL the 1979 Junior Play turned out to be very funny and entertaining thanks to a talented cast and helpful director. Though there were few minor goof-ups such as bells not ringing, prompters being heard, guns not going off and dead bodies shaking from laughter, the members of the play took it all in stride and had a good time along with the audience.

Lisa Sailer And Keith Bratton

Approximately one-hundred couples envisioned "Ice Castles" at the Student Council sponsored Sweetheart Dance. The decor created an image of an old fashioned Christmas: a huge tree, handmade table settings and the sparkling of stars, glitter and snow. Blue, white and silver were the colors utilized to transform the girl's gymnasium into a winter wonderland.

The mood was completed with music by Southern Illinois Audio.

Since in every castle dwells a king and queen, Keith Bratton and Lisa Sailer were chosen by the entire student body to reign over the evening.

The beginning of school is also the beginning of many activities. One particular activity during the fall is Homecoming. Along with Homecoming comes a lot of picture taking. In one particular picture, Terrie Duckworth was stepping onto the track during coronation. In the process she pulled her dress up a little too high to reveal to the world that she wore knee high hose instead of panty hose.

Winter was on its way as was Christmas and traditionally gift giving was never ending. As a result, many of us ended up so broke that having enough money to buy a Coke was a big deal. However, money wasn't such an object in the winter. Many nights were spent at home in front of a roaring fire and many days were spent throwing an occasional snowball down one's back.

Eventually spring came and brought forth blooming trees and flowers and finally everything had some color. Plants weren't the only things with color, the green grass turned to wall to wall bodies as many girls slaved to get that tan for Prom.

It seemed everyone was anxious to get outdoors-so anxious in fact, that skipping school became a very popular sport.

Students skipped out of classes for everything from swimming in Calvin pits to shopping sprees at Evansville. Accordingly, "pink" became a common color. Boy, did Mr. Harlan keep busy! Another popular activity of spring was muddin'. A common sight on a Sunday afternoon was the mud-coated trucks of David Hertzog and Charlie Rankin. With school ending came a lot of memories such as these, but each individual will remember high school in his own way.

Talented Students Present Sights And Sounds

Sights and Sounds was once again a huge success. The program, held on April 15, began with the band playing a march, "Americans We" as directed by Mr. Mike Croghan. Another performed by the band was "Allegro Con Brio" featuring Rob Endicott on trumpet. The jazz band performed such selections as "Rise" and "Chase the Clouds Away." Mr. Paul Bunting's art students displayed several talented works of art. Bruce Meriwether displayed many pieces, one being a painting called "Diamonds They Aren't," and Shawn Joyce and Kim Marshall displayed a colorful mobile.

Iva Jean Bayley directed the choir as they performed a variety of excellent selections. One of these was "Sun Cather." And as usual the Singing Six and New Editions, also under the direction of Mrs. Bayley, stole our hearts with "Sincerely" and "She Believes Me."

Conners, is enrolled and soon he becomes the hope for a first victory. A rivalry begins between the new student and the Squirrel's captain. Janet Talbert the school's English teacher, is assigned head coach. She convinces the faculty,

Greg Jacob And Sarah Lewis Crowned

The first prom of the decade seemed to be enjoyed by everyone. The junior class spent months making the plans to turn a dull, colorless gym into a ballroom of spring flowers and graceful rainbows. After several changes, the theme was finally decided to be "Always and Forever." The band, Breezing, kept the people dancing to tunes such as "Sail On" and "We Are Family." The coronation included such activities as the various speeches given by the class officers and the lovely performance of "I Won't Last A Day Without You" by Linda Boren and Sarah Lewis. Following the dance, the movie "Young Frankenstein" was shown in the auditorium. Breakfast was then served at the Catholic Church.

Talents Displayed At One Niter Plus

The one-Niter Plus has come and gone with several commenting that it was truly the best show they'd seen in years. Contributing to this fine show were skits such as "Who's On First" and musical numbers such as "A Chorus Line." Not only does the One-Niter show off the talent of CCHS students, but it gives these students a sense of togetherness. They all pull together to mold a well-rounded show and this is very rewarding. One-Niter can be a very happy as well as sentimental occasion and each person will have his own special memories. The biggest reward, though, is the fact that the performers get a chance to give a lot of people a lot of happiness; in return they receive applause, applause, applause!

Seniors Visit Busch Stadium & Six Flags

Although a trip to St. Louis doesn't sound like a "big deal" everyone really seemed to enjoy himself. Approximately 60 seniors departed bright and early from the high school. The first stop was Six Flags over Mid-America. The most popular attractions seemed to be the Screaming Eagle and the Log Flume. For the more conservative or even cowardess seniors, Tin Type Pictures or the Mississippi Boat Adventure were more their style. The Second stop was Busch Stadium to see the St. Louis Cardinals take on the Houston Astros.

Happy Graduates Exchange Congratulations

Well, the end is here but with all endings there are new beginnings. The students and faculty of all the school days of past years are much appreciated and seldom forgotten. Seniors Graduation Day: Finally!!

Graduation represents different things for different people. Most Seniors are happy to be out of school yet they are a little sad to leave their friends and confused about their futures. For those who will be leaving for college new people and new friends will be very much a part of their lives. For those who are going to work, responsibility will be their main objective. All the graduates will be going their separate ways, facing new situations, new problems and many new happy times. Congratulations and good luck to the Class of '80.

C-Clubbers Are Asset To Our Community

The membership of the well-known C-Club is made up of athletes who have earned enough points to receive a school letter by participating or managing a varsity sport. The lettermen came from football, baseball, wrestling, basketball, cross-country and track. C-Club is a service club which helps the school and promotes

school spirit. Even though the club itself participates very little in any type of activity, each and every individual contributes to the Carmi Community High School Athletic department. Each C-Club member gives his all to a sport for which a letter is earned. Therefore, each and every member is an asset to the school and community.

Students Promote Christian Spirit & Ideas

The Student Christian Association (SCA) activities this year began with a picnic at Dolan's Lake. For the holidays, the club had a Christmas party with entertainment by a gospel singing group, the Monarchs. In February, SCA held an evening meeting and received a guest speaker, Byron Beck.

Fund-raising projects included selling candy bars, popcorn, and seeds.

Officers elected were: president, Tina Pritchett; vice-president, Rick Courtney; treasurer, Bonnie Finchem; secretary, Connie Heads.

The Fellowship of Christian Athletes (FOCA) spent their school year with such activities as the FOCA track meet held in the spring on April 30. Also, the members observed a film on how Christian beliefs may be used to overcome difficulties they can encounter.

Officers elected were: president, Steve Nelson; vice-president, Eddie Emery; secretary, Richie Minor; treasurer, Eric Bryant; chaplain, Rich Hoskinson; sponsor, Robby King.

Computers Become Part Of Former Tag Club

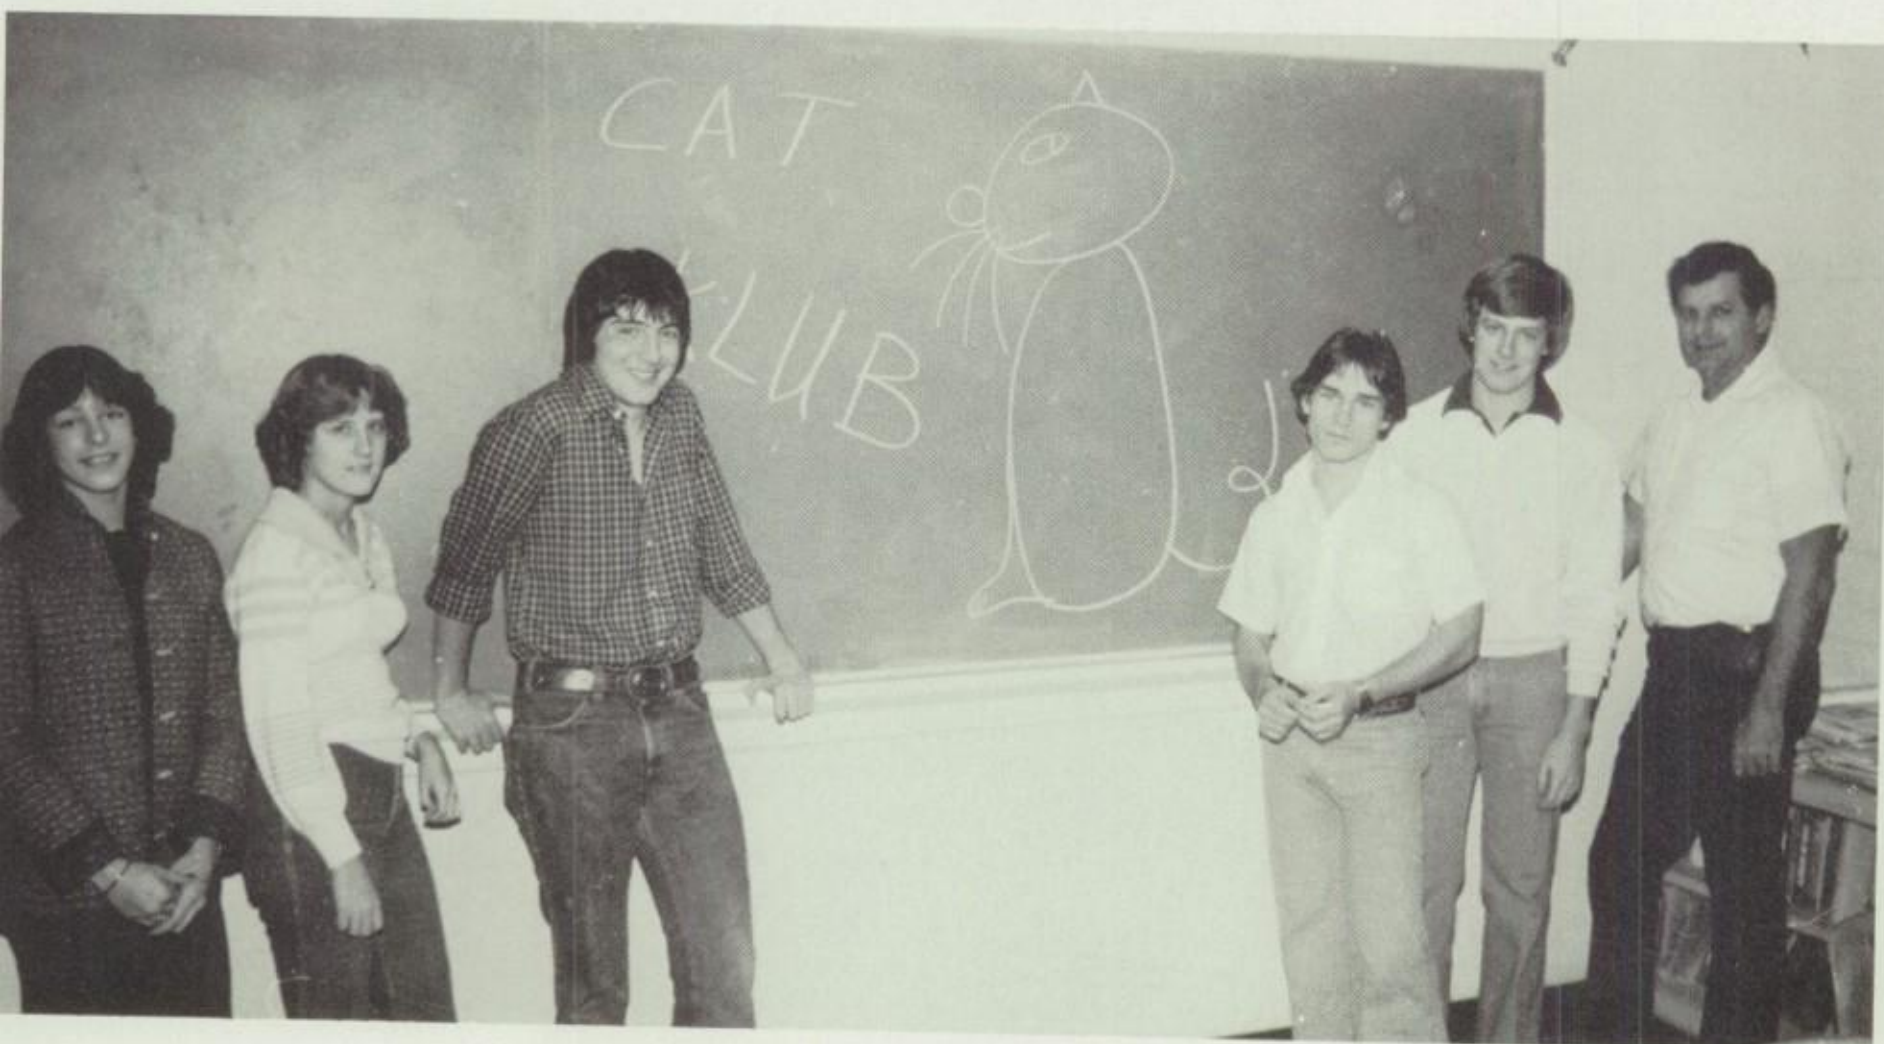

The CAT (Computer-Algebra-Trigonometry) Club is sponsored by the Mathematics department and spent its time this year discussing the elements of beginning computer programming. Computer topics discussed were computing grade averages, running inventories, calculating payrolls, quarterly sales reports, profit and loss analysis, and mathematical teasers.

The students had no computer available to them, although, they did finish the year by writing a mathematical program and getting an opportunity to have it run on a computer during a field trip to a computer center.

Bulldog Barks Wins SISPA'S Blue Banner

Journalism enrollment being what it is, the BULLDOG BARKS writing staff numbered only eleven students. But the loyal group managed to produce seven issues of the paper packed with news, sports, features and editorials. The paper took honors for the quality of its publication by winning the Blue Banner award at the spring SISPA conference.

Perhaps the highlight of the year for the budding journalists was that fateful day of November 13 when they arrived at the Carmi Times and managed to put out the daily with a minimum of problems. Lots of orders were given, but all were carried out with a small amount of grumbling from the future Lou Grants.

Eight Girls, One Boy, Produce '80 Carmian

Due dates, deadlines, and time schedules are three major rules that the 79-80 Carmian Staff learned to live by. Eight young ladies and one young man seeking the aid from advisor, Debbie Bunting, abided by these rules and produced this year's yearbook after a big change from a previous yearbook company to the American Yearbook Company.

Preparing a yearbook consists of many hours of dragging photographers everywhere for pictures, running down information for copyblocks, and planning layout sheets. As tradition, this year's staff tried to prepare an original and creative yearbook. We hope we have succeeded.

Creating A Homey Atmosphere Is Their Job

1

We often forget, in our hurry through the school building, to stop and thank the custodians for making our place of study as clean as it is. But more important is the fact that when students have problems with lockers, car windows, etc., etc., these men were there to help.

For those hungry pupils who traveled to the cafeteria to buy an occasional cookie fresh from the oven, or purchase his daily allotment of chocolate milk, the cooks made good friends. The cooks are also to be congratulated for their preparation of a special meal for the North Central Evaluation team and the faculty breakfast and alumni banquet. All in the line of duty they say!

For the students of CCHS 1980 was a year of entertainment promises and defeated ideals. Many kids anxiously awaited the opening of the Carmi Health Club. But because of financial difficulties the building never became a reality. However, in May, the Industrial Board granted a license for the construction of a roller skating rink. This is to be located near Les Wilson Spudders and should be open in about nine months. With skating becoming such a fad we are all looking forward to this.

It was hard to tell if there was an energy shortage at the Carmi Community High School parking lot. Mr. Harlan spent lots of time warning people to please park where they were supposed to park. And this included teachers. Everyone was to be in his place. There were many cars which would pull into the parking lot with only one student in them. And this was an energy shortage. Try to convince the individuals of CCHS of that!

Dear Graduate of the Class of 1980:

Most adults I know agree with me that the high school years and graduation were one of the most important periods of our lives. Unfortunately, we were about thirty years of age when we made this discovery. Consequently, we missed some opportunities to excel in later endeavors because of lacking skills in the three 'R's and had to career goals or go back to school.

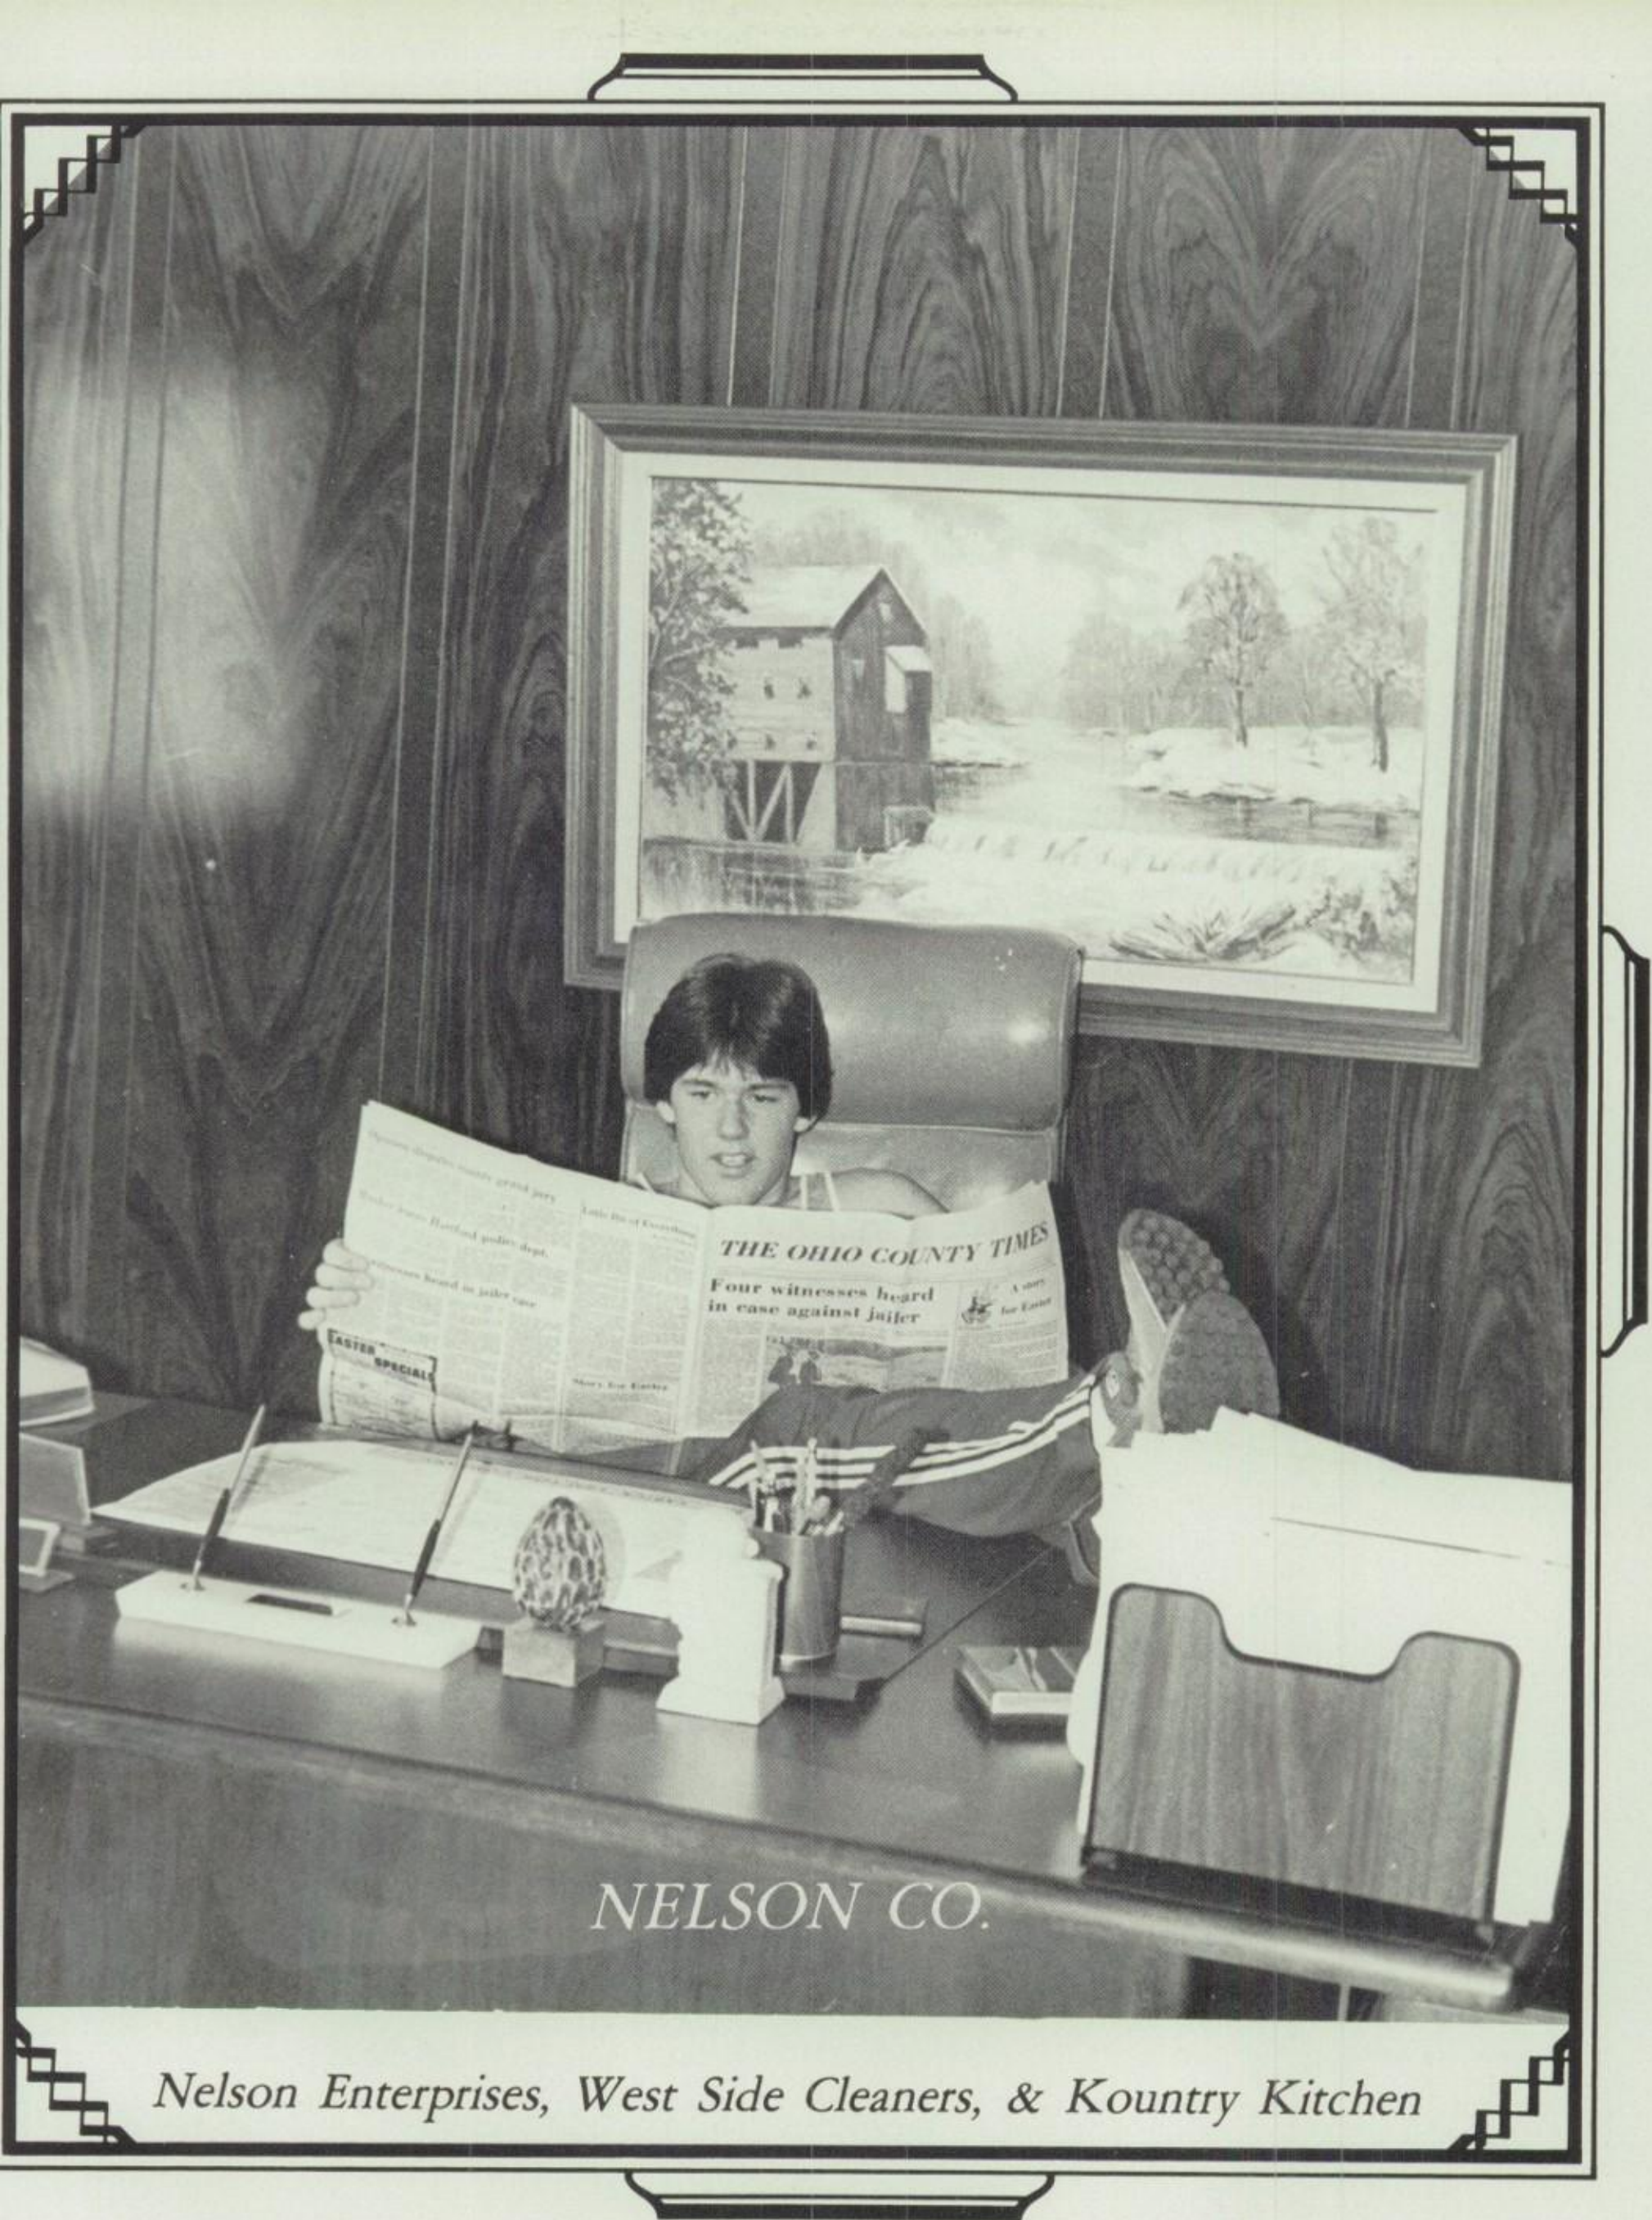

I wish I knew the magical word that you could use to cause your Junior classmates to study communication skills, to learn citizenship, and to understand their role in our community. It is vital you remember that you have a wealth of knowledge that needs to be used with common sense. There are no easy answers to adult living, but you should strive to find answers that are reasonable, understandable, and workable. Someone must have given you the word because you are graduating into the world of responsibility. We at Terlex congratulate you in achieving a major milestone in your life and urge you to strive for happiness; success will follow.

Yours truly,

G.R. Harris

When K-Mart opened it not only brought jobs for many CCHS students, but it also gave us another place to shop. Now instead of going all the way to Evansville we could go out to our very own K-Mart. It was not unusual to see some CCHS students browsing through various departments on a Saturday night. From purses records automotive . . . posters to who knows what, there was always something to look at.

Another variety item which seemed to grow was the offering of eating places. It became a hard decision to choose one place over another to eat at noon. Many eateries gave out free coupons as an incentive.

Carmi is a friendly town . . . boasts the Chamber of Commerce. They should add, CCHS is a friendly school. Many visitors to our campus remark on the friendly attitude of our students. And you don't find this everywhere. Our local businesses express their open attitude toward CCHS and its students in many ways; by hiring them, by buying ads in the annual, and by selling the products the teen-agers want most.

Wih the price of gasoline going up and up, our trips up and down Main Street became few and far between. That is, if we were paying for the gas instead of our parents. Instead we chose to stop on the Baptist Church parking lot, or at night on the Carmi Times and Courthouse parking lot. And we may be forced to learn the metric system after all as several Carmi stations went to metric markings. We were also able to buy alcohol for our cars instead of for ourselves.
